Product name	Compatible	Driver	Download
Jensen Air:Link 6011 (PCMCIA)	Coming soon	???	???
Comment : Estimated to be available in the near future.			
Jensen Air:Link 6511 (USB)	NO	-	-
Comment : Driver will not be released from the chipset vendor.			
Jensen Air:Link 6554 v1 (USB)	NO	-	-
Comment : Driver will not be released from the chipset vendor.			
Jensen Air:Link 6554 v2 (USB)	NO	-	-
Comment : Driver will not be released from the chipset vendor.			
Jensen Air:Link 6554 v3 (USB)	YES	6.19.0.0	Download
Comment : Driver is digitally signed.			
Jensen Air:Link 7054 (PCMCIA)	YES	7.1.0.90	Download
Comment : Driver is digitally signed.			
Jensen Air:Link 7354 (PCI)	YES	7.1.0.90	Download
Comment : Driver is digitally signed.			
Jensen Air:Link 7554 v1 (USB)	NO	-	-
Comment : Driver will not be released from the chipset vendor.			
Jensen Air:Link 7554 v2 (USB)	YES	3.0.1.0	Download
Comment : Driver is digitally signed.			
Jensen Air:Link WBR 6911 (Router)	YES	-	-
Comment : The device is supported in Windows Vista without using drivers.			
Jensen Air:Link WBR 6954 v1 (Router)	YES	1.42C	Download
Comment : Firmware 1.42C or newer fully support Windows Vista.			
Jensen Air:Link WBR 6954 v2 (Router)	YES	-	-
Comment : The device is supported in Windows Vista without using drivers.			
Jensen Air:Link WBR 7954 LongRange (Router)	YES	-	-
Comment : The device is supported in Windows Vista without using drivers.			
Jensen Air:Link WBR 7954 v2 LongRange (Router)	YES	-	-
Comment : The device is supported in Windows Vista without using drivers.			
Jensen Wireless Broadband Router (Router)	YES	-	-
Comment : The device is supported in Windows Vista without using drivers.			
Jensen Wireless Broadband Router II (Router)	YES	-	-
Comment : The device is supported in Windows Vista without using drivers.			
Jensen Wireless High Speed Card (PCMCIA)	NO	-	-
Comment : Driver will not be released from the chipset vendor.			
Jensen Wireless High Speed Card II (PCMCIA)	YES	3.2.0.0	Download
Comment : Driver is digitally signed.			
Jensen Wireless High Speed PCI Card (PCI)	NO	-	-
Comment : Driver will not be released from the chipset vendor.			
Jensen Wireless High Speed PCI Card II (PCI)	YES	3.2.0.0	Download
Comment : Driver is digitally signed.			
Jensen Wireless High Speed Router (Router)	YES	-	-
Comment : The device is supported in Windows Vista without using drivers.			
Jensen Wireless High Speed Router II (Router)	YES	-	-
Comment : The device is supported in Windows Vista without using drivers.			
Jensen Wireless High Speed Router III (Router)	YES	-	-
Comment : The device is supported in Windows Vista without using drivers.			
Jensen Wireless High Speed USB (USB)	Unknown	???	???
Comment : Still awaiting info from the chipset vendor regarding if they will relased Vista drivers.			
Jensen Wireless Notebook Card (PCMCIA)	Unknown	???	???
Comment : Still awaiting info from the chipset vendor regarding if they will relased Vista drivers.			
Jensen Wireless Notebook Card II (PCMCIA)	Coming soon	???	???
Comment : Estimated to be available in the near future.			
Jensen Wireless USB Adapter (USB)	Unknown	???	???
Comment : Still awaiting info from the chipset vendor regarding if they will relased Vista drivers.
